Why choose us?

Because you have a natural setting with views of the golf course to organise your meetings, conferences or product presentations

Because we have unique facilities located just a few kilometres from Barcelona.

Because we have a wide variety of rooms and open-air green spaces.

Because we have a gastronomic offer for every occasion.

Because we have extensive experience in organising corporate events to design a tailor-made event.

Because we are sustainable, we have official sustainability certifications. Environmental conservation is a priority for the Club.
